The wind at times attained a velocity of 52 miles an hour and one and one-half inches of rain fell in less than half an hour.

## BRIEF TELEGRAMS

General John J. Pershing visited Mayence and reviewed the French forces of occupation. Five large collieries in northern England have given notice that the mines will close in the near future. General Salvador Alvarado, former secretary of treasury, is reported heading a revolution in Yucatan.

## German foreign affairs committee urged the reichstag to ratify the peace treaty with this country.

Violent attacks upon the Duke d'Aosta, cousin of King Victor Emmanuel of Italy, by the newspaper L'Espresso of Rome, have created a great sensation in that city. Organization of a rifle company of the new West Virginia national guard at Beckley has been authorized by Governor E. F. Morgan. Former Governor R. Livingston Reel of Ohio has been authorized by the senate to consider for appointment to some diplomatic post.

## Three residences and a public school at Elsinore, Utah, were destroyed by an earthquake. No one was injured. Loss is estimated at \$100,000.

Finger prints of every person in Glenview, Ill., were taken in a search for the man who killed Fred Christensen, bank cashier, last week. Sir John Baddley was elected Lord Mayor of London. He succeeded Lord Mayor James Holf, whose term has expired. Brown University, at the close of registration, had enrolled an entering class of 127, breaking the previous largest record of 120 freshmen.

## The death of Larry St. John, conductor of building and fishing columns in the Chicago Tribune was announced. He died Sunday in the North Woods.

William Dooley, member of a well known family of vaudeville performers, died in New York from concussion of the brain following a fall from a taxi-cab on Tuesday. L. R. Fulda, 75, a famous prize ring figure, died in Philadelphia. He was at his home in San Francisco. He was an undefeated light heavyweight champion in the seventies. Transfer of Camp Ross, a part of the Great Lakes training station, near Chicago, from the navy department to the War Department has been ordered by President Harding.

## According to the 1920 census there were 2,977 illiterate persons ten years of age and over in the state of North Dakota, illiterate meaning unable to write.

The original copy of the Declaration of Independence and the Constitution of the United States will be transferred from the state department to the Library of Congress by order of the president. It is estimated \$1,000,000 loss was incurred by fire which consumed four or five gallons of gasoline of the Magnolia Refinery at Beaumont, Texas. The fire was caused by lightning. Charles D. Reed, meteorologist and director of the Iowa Weather and Crop Service, says value of 1921 crops to Iowa will probably total little more than that of 1920.

## There are approximately 700,000 members of the Ku Klux Klan in the United States, Charles W. Love, of Indianapolis, grand global of the organization announced.

President La Guardia of the board of aldermen, of New York city, will be operated on Sunday for an abscess at the base of the spine for which he was operated on during the winter. Two ancient cannons, used in England about the time the Mayflower sailed in 1620, were delivered to the Ancient and Honorable Artillery company at exercises at the Boston navy yard. Resumption of hearing in the divorce action brought by James A. Stillman, New York banker, against his wife Edith, will be resumed today at New York. The divorce action brought by James A. Stillman, New York banker, against his wife Edith, will be resumed today at New York.

## Director of the Pittsburgh Coal company announced that regular quarterly dividends of 1-1/2 per cent. on the preferred stock and 1-1/4 per cent. on the common stock had been declared.

The body of William J. Keith, of Springfield, missing since Tuesday, was found hanging from the branch of a tree on a wooded hillside near the town of Palmer, 12 miles east of Springfield. Alberto Giraldo, a widely known Argentine aviator, was arrested in Madrid, following the publication of an article written by him in a communist newspaper. Election of George W. Hinnman to be president of the United Printing and Publishing company, publishers of the Chicago Herald and Examiner, was announced. He succeeds Roy D. Keelin, resigned. The Russian bolshevik legation at Riga, said to be acting under instructions from the Moscow government, announced that it would admit no Americans in Russia unless they were permitted to carry American passports. Secret compartments have been built in railway coaches used between Seattle, Washington, and points in British Columbia for the storage of liquor being smuggled over the Canadian border, federal agents said. Jacob Jennings, of Hartford, was arrested by the state police in his saloon in Union Place. He is held as a material witness in the case against Detective/Sergeant Richardson of New Britain. William Curtis Capelle, 55, retired as a brigadier general after fifty years service in the Massachusetts militia, last survivor of the staff of Governor Andrews the state's Civil War time governor, died at his home in Boston. Methods of maintaining prohibition in the United States and thus "setting an object lesson for the world" will be considered at meeting of the prohibition national committee in Chicago, November 30. Investigation is being conducted by post office department into the theft of approximately \$140,000 in gold and currency stolen from the mail in transmission from Spain to the United States during a period of several weeks.

## PRESIDENTIAL PROCLAMATION FOR UNKNOWN SOLDIER DEAD

Calls Upon All "Devout and Patriotic Citizens" to Pause For Two Minutes at Noon Armistice Day For A Period of Silent Prayer, As the Body of An Unknown American Soldier Killed in France Will Be Laid to Rest in Arlington National Cemetery—Flags to be Half-Masted From Sunrise to Sunset.

Washington, Sept. 30.—The American people were called upon by President Harding, in a proclamation issued today, to offer silent two-minute prayer at noon on Armistice Day, Nov. 11, when the body of an unknown American soldier killed in France will be laid to rest in Arlington National Cemetery. The proclamation calls upon "all devout and patriotic citizens" to pause for two minutes—from 12 o'clock noon until two minutes past twelve—for a period of silent prayer of thanks to God for the brave men who gave their lives for their country and for the peace which has been secured by their sacrifice. The proclamation calls upon "all devout and patriotic citizens" to pause for two minutes—from 12 o'clock noon until two minutes past twelve—for a period of silent prayer of thanks to God for the brave men who gave their lives for their country and for the peace which has been secured by their sacrifice.
